Prayers and Reflections for the week

This week we pray for those who are sick.

Here is a prayer we can all use:

Most merciful Lord, we ask your blessing on all those who are sick in mind or body.

Comfort and cheer them that they may have courage and fortitude to face the pain and suffering laid upon them.

We pray for the physically disabled, for the deaf, dumb and blind;

for those who have lost the power of reason and for those whose pain is worse in the slow night hours.

We remember those especially who are terminally ill and we give thanks for all doctors, nurses, relatives and friends who, by their devotion and skill, tend to the needs of those committed to their care.

We pray for those recently bereaved who struggle with a huge sense of loss.

Finally we pray for all who have to bear suffering of any kind.

May they turn to you, Lord, for strength, encouragement and consolation. Amen.
