

Happening during Lent

Ecumenical circle of silent prayer - Saturday 30 March at 11.00

Please join us at la Place du Château, Nyon

Church of England special Lent App “Watch and Pray” - For more information, click [here](#)

Poetry for our Lenten journey from our local poet in residence, Etienne - For more information, click [here](#)

A challenge to care more deeply and practically for our bruised creation - [Here](#) is an inspiring list from A Rocha

Sign up for the Carbon Fast for Lent!

Climate Stewards is part of the worldwide A Rocha family caring for God's.

Climate Stewards provides free online carbon calculators and advice to help individuals and organisations to **measure, reduce** and **offset** their carbon footprint.

Using their innovative Seal of Approval standard, Climate Stewards works with A Rocha National Organisations and other Christian partners to design, manage and monitor robust, sustainable and transparent community carbon projects. All these projects bring multiple benefits to local communities (including saving money and time spent obtaining firewood or charcoal for cooking, improving health and increasing biodiversity) alongside mitigating carbon.
