

The Compassionate Face of God

Exploring the Gospel of Luke

(‘Reconciliation’, the Prodigal Son by Margaret Adams Parker)

A Study Morning

Saturday 9 November

10.00 – 13.00

At Holy Trinity Church, Rue du Montblanc 14bis, 1201 Geneva

Led by Canon Dr Clare Amos, Diocesan Director of Lay Discipleship

This study morning will explore the Gospel of Luke in preparation for Advent 2024 when Luke will become the lectionary Gospel. We will particularly focus on themes prominent in Luke’s Gospel: as well as the compassionate face of God, this will include the importance of hospitality, time and place, the parables unique to Luke, and Luke’s vision of a new Exodus.

Until her retirement in 2018 Clare worked at the World Council of Churches, Geneva. She is passionate about sharing her enthusiasm for the Bible and theology with a wide range of people.

So that we know approximate numbers it is helpful if people can register in advance via:
