

Give your used eyeglasses a second life!

We would like to thank everyone who contributed to the collection of used eyeglasses last year, which were donated to the Lions Clubs of Switzerland, who collaborate with Médico Lions Clubs of France, to recondition the eyeglasses received and distribute them to patients with visual impairments in developing countries.

We are happy to announce that we are organizing another collection during Lent and Easter and should be grateful for any contributions. If you have any eyeglasses that you are no longer using, please bring them to one of the services at the Temple de Gingins between 5 March and 20 April 2025. Please note that it is not necessary to include their cases.

For further information, please see <https://www.lionsclubs.org/en/resources-for-members/resource-center/recycle-eyeglasses> and <http://www.medico-lcf.org/?q=recyclage-des-lunettes>

Thank you in advance for your contributions.
