

Lions Club charity night at the Alhambra Theatre 15 April 2025 – from Stevie Wonder to Frank Sinatra

As a member of the Social Action Group of La Côte, I would like to mention that the Lions Club Geneva Nations is organizing a charity jazz night with the Konstantin Kölmel Project accompanied by Nikola Bankov at the Alhambra Theatre, Rue de la Rôtisserie 10, Geneva, at 20:00 on 15 April 2025 (the doors open at 19:00).

All of the proceeds from the concert will go to Liberating Education, an organization that is providing university courses in rural regions of India and Kenya where young people have no access to centres of education. The organization brings hybrid university education to rural regions by using satellite internet and local entrepreneurship. For further details, please see the links below.
