Ladies and Gentlemen

The Members of Lions Club Geneva Nations wish to express their gratitude to the Ladies of the International Women's club in Nyon, the members of La Côte Anglican Church and the staff and students at La Côte International School at Aubonne for their generous contribution to the Lions club social action relating to the collection of used eyeglasses.

The donation of 298 pairs of eyeglasses will make the difference to many people in the whole world.

A good vision means access to better reading, education, jobs and integration. Lions Club International guarantees the free distribution to people in need throughout the world.

On behalf of all members of the Lions Club Geneva Nations, thank you very much.

Best regards

Jeannette Ahlin
Past President of the Club
Past Zone Chair
Secretary and Activity Delegate
