

## Introducing 'Connect La Côte'

'Connect La Côte' is a project aiming to foster community across generations, languages/cultures and beliefs, and help create connection between people and the environment. In particular, we aim to:

- host bilingual French/English events to build community between everyone, irrespective of country of origin
- foster community across generations, particularly for young adults
- create an inclusive, welcoming space where people can have open and honest conversations across boundaries

'Connect La Côte' is set up in partnership with La Côte Anglican Church, as a **church-adjacent** project: connecting people to one another both within and beyond church circles and offering a welcoming space without being a religious organisation ourselves.

### Bilingual and intergenerational Quiz Night

Our first event will be a bilingual and intergenerational quiz night. We will mix generations up in the teams: the quiz questions will be designed in such a way that you need people of multiple generations to be able to answer them.

The event will be held on the evening of Tuesday 27<sup>th</sup> of May in the salle paroissiale of Gingins. Please arrive from 7pm for a 7:30pm start. The event is free, but donations are welcome and will be used to help fund the running of future events.
