

Ascension Day Pilgrimage

14 May 2026

Join us after the ascension-day service for our traditional pilgrimage from Vésancy chapel to Nyon on a walk visiting all the churches we use. From Vésancy, we will walk to Divonne, Crassier, Gingins, Signy and end up in Nyon where you are invited to celebrate your arrival at Cate's house from 18h00 onwards with potluck nibbles. We have now been doing this walk for 5 years and would like to open it up to everyone.

Some practicalities:

- It is a 25km walk, however:
- We will organise sweeper cars for those who would like to only do part of the walk
- Please contact Niki Low and Cate Bichara if you will be walking and let us know how far
- Please let us know if you can bring either some nibbles/finger food or drinks to Cate's
- Map [here](#)

Looking forward to seeing you then.
