

**Report of the Auditor to the general Meeting of members of The La Cote Anglican Church
Development Association**

I have audited the books of account and the financial statements, comprising balance sheet, income statement and related notes of The La Cote Anglican Church Development Association for the year ended 31 December 2025.

The financial statements are the responsibility of the council of the Association. My responsibility is to perform a limited examination of and express an opinion on these financial statements. I confirm I meet the requirements concerning professional qualification and independence stipulated by Swiss Law.

My audit was performed in such a way as to obtain reasonable assurance as to whether the financial statements are free from material misstatements in accordance with the Swiss standards on limited statutory examination. A limited statutory examination consists of primarily of enquiries of personnel and analytical procedures as well as detailed tests of documents as considered necessary. The testing of operational processes and the internal control system, as well as enquiries and further testing procedures to detect fraud or other legal violations, are not within the scope of this examination.

In my opinion the financial statements comply with Swiss law and the Association's constitution and by-laws.

Robert A Pashley

Auditor
