

A short description of our church

We are an English-speaking church with members from across the La Côte region of Lake Geneva, both in France and Switzerland. We are a diverse community, open to all ages, nationalities and Christian denominations.

Our mission is to provide a welcoming, informal environment for deepening our love and experience of God and to build a community that responds to the needs of others. We seek to do this through weekly gathered worship, in a variety of small groups, through engagement with the wider needs of our community and world, and through informal, social events. We encourage people to get involved in church life, as they see fit, seeking to cherish and develop our gifts and creativity in the midst of our worship and outward service.

The spirituality and worship of La Côte is set within the framework of the Anglican and Episcopalian Church, while seeking to value and incorporate the varied Christian experience of those in our midst. Children and youth are very welcome – with Sunday club provision during the main services for young ones.

You are welcome to come along to our services. Our main act of worship takes place across the chaplaincy region – in Gingins (Switzerland) at 16.00 or Divonne (France) or Crassier (Switzerland) at 10.00. For details of times and venues see our Upcoming Services page.

We are a Christian Community committed to growing together in love for God and for our neighbour.
